FOREWORD

The BIDDEFORD & SACO DIRECTORY for 1907 is presented to our patrons and the general public after a lapse of three years, in magazine form, thereby saving time consumed in turning leaves, and showing at one opening more than double the number of names, a style adopted by us four years, and is giving universal satisfaction, both as to appearance and use. We have used nothing but the best material and have spared neither pains or expense to make the BIDDEFORD & SACO DIRECTORY up to date, and bespeak for the live business men who have favored us with their cards a liberal patronage, also the householders who have added their names to our subscription list, without which would be a useless undertaking.

Thanking all who have aided us in any way, we remain,
